cutlery

## cutlery

Our range of Vital Baby Cutlery is specially designed to protect sensitive gums, teach how to hold, build confidence and ultimately to help develop baby's feeding skills as they grow.

**INSTRUCTIONS FOR CARE AND USE**  
**IMPORTANT! READ THIS INFORMATION BEFORE USE:**

**Cleaning & Care:**

Wash in warm soapy water, rinse in hot water and air dry before using for the first time and after each use. Vital Baby cutlery is all top rack dishwasher safe and can be sterilised by all sterilising methods. They are all suitable for use in the microwave oven \*except for the stainless steel cutlery items due to their metal parts. Do not use abrasive or solvent based cleaning agents as this may damage the cutlery. Store in a dry, covered container, out of direct sunlight, when not in use.

BPA  
Bisphenol-A  
free

**For your baby's safety and health**  
**WARNING:**

- Always use this product under adult supervision.
- Before first use, inspect the product. Throw away at the first sign of damage or weakness.
- Keep all components not in use out of the reach of children.
- Always check the food temperature before feeding.

This product conforms to BS EN 14372 standards.
